Established in 1885 we are the UK's oldest national tri-service military charity supporting the entire Armed Forces military community.

SSAFA the Armed Forces charity was there in 1918 at the beginning of the First World War. we were the only national military charity supporting serving personnel and their families throughout the four long years of the war.

SSAFA Devon urgently needs more community fundraisers, helpers and volunteer caseworkers to enable us to continue our support for serving personnel, veterans and their families.

If you are interested in helping to make a difference, please contact devon.branch@ssafa.org.uk or 01392 254611
