

Information for Foreign Language Students visiting the UK

Cathedral Entry Exeter's charming Cathedral has many unique and wonderful things to offer our young visitors. We can highlight the history of Exeter: explain the majesty of the building; the purpose of the Cathedral in the past; how it is used today. Entry is £4.50 per student with accompanying adults free. We have a selection of quiz / trail booklets written in English for 20p each. Unguided entry **£4.50** per student, accompanying adults free. Visitors are welcome in groups of 15-20 in size.

Guided Tours We have a wide range of themed tours on offer for visits, but we find that our foreign language visitors are usually looking for simply an interesting and lively overview. Our trained guides will tell you about the life, history and community of the Cathedral, highlighting 5 main areas and then we will offer a quiz sheet for students to carry on and

explore the building in more detail. They are the ideal way to make the most of your visit and they are also devised to appeal to today's phone and media savvy youngsters. A guided tour and quiz lasts about an hour, with as much time as needed to self-guide afterwards. **Guided visit £5.00 per student group size 15-20.** We can accommodate 2 x groups at once - approx. 40 students.

Activity Workshops make your visit more memorable by accompanying your guided tour with a workshop. The sessions give the opportunity to make something that the students can then take home with them. **£2.50 per student**

- **Brass rubbing** – we have a large selection of brasses that students can work on, learning the technic and create a bespoke historical montage to take home.
- **Mini stained-glass shrinkies** – great for all ages that can be linked to a cathedral theme like gargoyles, dragons, stained glass windows or heraldry. Draw your design onto thick plastic sheets and watch them quickly shrink into tiny works of art to take home as a keyring or bracelet etc. **Approx. 1 hour.**

Tower tours (20-30 minutes) Climb 175 steps to the top of the Cathedral's North tower and enjoy unrivalled views of the city and surrounding countryside. The tour also includes a visit to the clock mechanism and the opportunity to see, in more detail, the history contained within the 900 year-old Norman tower. Groups of no more than 12 - over the age of 8yrs and height restrictions apply, we allow for one group at a time on the tower. **£3.50**

Roof tours (60-90 minutes) Your visit to Exeter Cathedral isn't limited to the ground floor! Our guides can take you on a true behind-the-scenes tour of the upper levels of the Cathedral. Climb high above the Nave, walking the length of the famous ceiling.

Visit the bell-ringing chamber and North tower before emerging onto the roof with its stunning views over the city. Groups of no more than 12, over the age of 8yrs and height restrictions apply, we can allow for up to two groups at a time on the roof. **£5.00. Strict rules apply for roof and tower tours!**
