

FORM 4 (Rule 5)

Section 8 of Care of Cathedrals Measure 2011 Public Notice on application to the Fabric Advisory Committee

PUBLIC NOTICE

TAKE NOTICE that the Chapter of the Cathedral Church of:

St Peter in Exeter

has on this date:

28th October 2022

applied to the Fabric Advisory Committee of the said cathedral for approval of the following proposal:

FAC approval is sought for lighting for the ground floor areas of the Pearson building to provide for its primary intended use as a (daytime) retail space as well as occasional use for (daytime and evening) events and private functions.

Summary of the nature of work and its extent (and materials) [or in the case of an object, a short description of it and details of the proposal]

The design revolves around a simple 100mm dia glass tube containing two conventional shaped LED bulbs which provide the general ambient light in the space. A metal band surrounds the central part of the glass tube to mask the lampholders within. The band is finished to match the bronze-work of the shop display fittings and includes the same decorative brass finish quatrefoil design as other bespoke fittings in the wider cathedral scheme.

Plans, drawings, specifications or other documents

Copies of the plans, drawings, specification and other documents accompanying this application may be examined at the office of the Chapter of the Cathedral Church

No. 1 The Cloisters
Exeter,
Devon,
